Proposal to remove EE 433 as a prerequisite course for EE 437

With EE 433 not having been taught since autumn of 2019, and no plan in place to offer the course, the Integrated Systems group proposes to remove EE 433 as a prerequisite course for the EE 437 Integrated Systems capstone course.

Proposal to remove EE 433 as a degree requirement for the Integrated Systems concentration

With EE 433 not having been taught since autumn of 2019, and no plan in place to offer the course, the Integrated Systems group proposes to remove EE 433 as a degree requirement for the Integrated Systems concentration. This change would be effective for all students currently in the Integrated Systems concentration, as well as any future students.
