

# Request for Consent by the Electrical and Computer Engineering Curriculum Committee

Presented: June 7th, 2022

## **Proposal to change course titles for courses in the signal processing series E E 242 and E E 342**

The Data Science group seeks ECE Curriculum Committee consent to make the following course title changes:

E E 242:

Current Title:	Signal Processing I
Proposed Title:	Signals, Systems, and Data I

E E 342:

Current Title:	Signal Processing II
Proposed Title:	Signals, Systems, and Data II

The updated course titles better reflect the material covered in the courses and will provide greater clarity for students when choosing courses.

**Motion to approve title changes:**
