

ECE Curriculum Committee Meeting

Monday, Nov. 24th, 2025

Attending: Arabshahi, Bushnell, Dela Cruz, Hauck, Huberman, Lim, Mishra, Moritz, Perez, Reyes, Rudell, Sallows, Shlizerman, Swanson, Thomas

Absent: Chen, Eley, Kirschen, Majumdar

Agenda:

1. Finalize IS Pathway courses: EE 435, EE 436 and EE 437

Finalize IS Pathway courses: EE 435, EE 436 and EE 437

Professor Rudell brought to the committee the finalized versions of the IS Pathway courses EE 435: Linear Integrated Circuits, EE 436: Integrated Systems Capstone I and EE 437: Integrated Systems Capstone II noting the previously discussed changed from past meeting to change the course number of EE 473 to EE 435 as well as hyphenating EE 436 and EE 437.

- MCD for EE 435 – [Link](#)
- MCD for EE 436/437 - [Link](#)
- Notable changes for EE 435 discussed by committee:
 - Added synopsis for course catalogue description
 - Updated prerequisites to list EE 332 and EE 333 with Recommended EE 331 and EE 361
 - Removed the language “Students who take this course will continue to EE 436...”
 - Added learning objectives for cross listed Graduate level classes
 - Added Title IX language
- Notable changes for EE 436/437 discussed by committee:
 - EE 436 and EE 437 are now hyphenated courses
 - The only listed prerequisite is EE 435 with Recommended courses EE 331 and EE 361
 - Updated the language to specify EE 435 is the prerequisite for EE 436 and EE 436 is the prerequisite for EE 437
- **Motion to approve MCDs with updated from professor Rudell and by Committee**
 - **Motion approved**
